

ATASCADERO LITTLE LEAGUE SPONSORSHIP FORM 2019 SEASON

Atascadero Little League has a rich history of support from the community and we **thank you** for your continued support every year! The league is responsible for the development of over 300 players annually and this has required the addition of extra fields, equipment and maintenance. Our League fields are located at Monterey Road Elementary school and Paloma Park. Thanks to this years support we are completely redoing the infield grass, adding additional irrigation and updating our clubhouse. The league will also be reworking the infield at Monterey Rd for the 2019 season with fresh infield dirt. Thank you to all!!!!

This year we are offering multiple levels of sponsorship and/or donations so that you can support the safe and productive expansions to the league. Here are some options:
